5 Little Fishes

(Finger Poem)

Five little fishes swimming in a school

The first one said, "This water's cool."

The second one said, "There's a shark over there!"

The third one said, "We'd better beware!"

The fourth one said, "Where can we hide?"

The fifth one said, "There's a cave! Go inside!"

Then in went the fish and the shark went away.

And the five little fish swam out to play.
